Namastay
aunty. How are
you?

I am fine beta. I
hope you did not
have any trouble
finding my house.

No aunty the taxi
driver was very
helpful

This is your
room Paarth, the
bathroom is on
the right of your
room

You can take a bath,
while I will get you
something to eat

I was going to
ask about that
but I felt a bit
awkward

You don't have to
hesitate about anything
you are like my son

In Paarth's room

The chick standing next to me was hot.

If I could meet that babe one more time!

It's her

Looks like it's my lucky day.

I should get fresh and start preparing my dinner

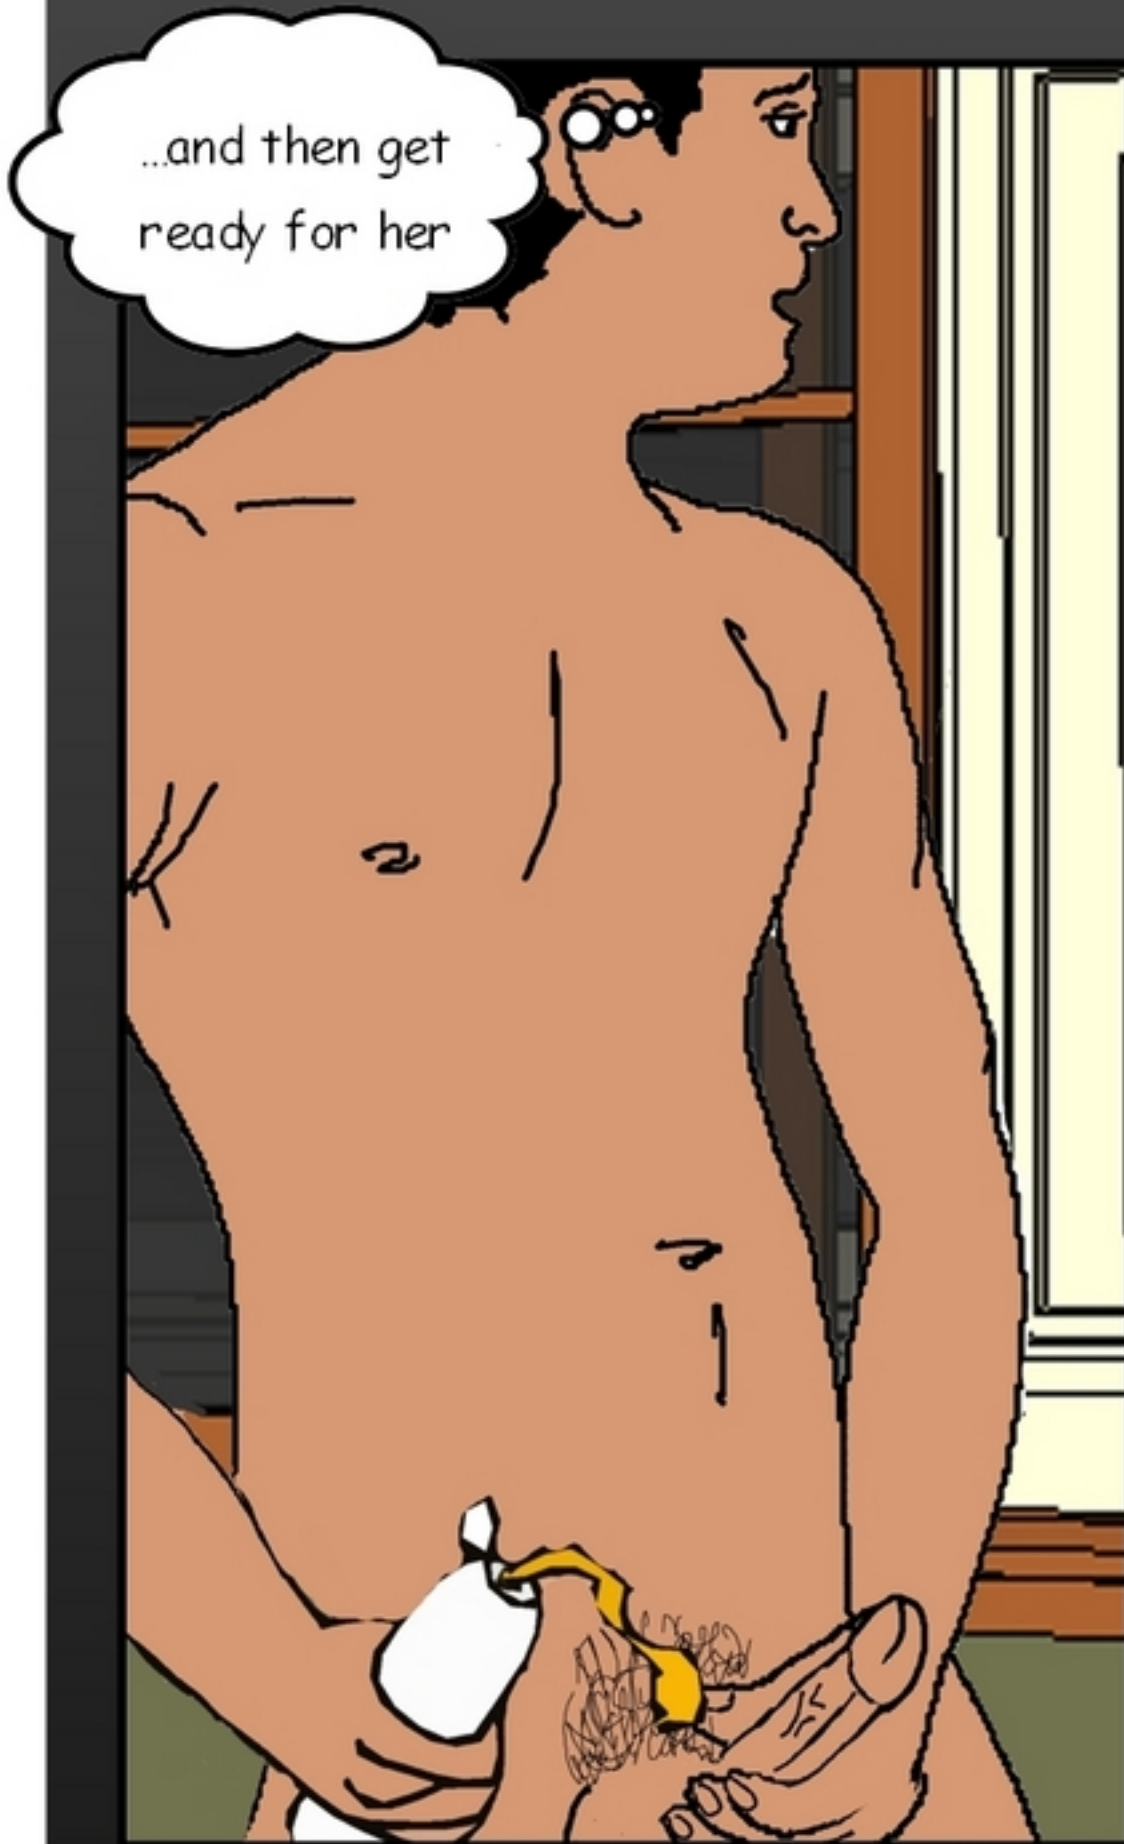

Looks like she is going for a bath. I hope it won't take long

If aunty sees me like this I might get in trouble

I should lock the door first.

The next day

Thanks for inviting me for lunch Aunty, this pasta is delicious

Don't thank me, Paarth cooked lunch today

And when I told him how much you loved Pasta, he insisted on inviting you!

She's looking at me funny. Maybe my plan on inviting her for lunch and getting to know her better will work after all

So what else do you like to cook?

My specialty is actually chocolate cake

OH! I love anything to do with chocolate. Will you please teach me how to bake a chocolate cake!

Sure, just let me know when you are free!

Next Day

You are exactly on time for our baking lesson

I don't like to keep anyone waiting, especially pretty girls like you

Ha ha, you're such a teaser Paarth. I bet you say that to all the girls

Here is the recipe for chocolate cake

This is great. I have all these items at home

Should we begin?

You know Paarth, a chocolate cake can get quite messy, and that's a very nice shirt you are wearing

Why don't you take it off?

Don't be so shy now Paarth. You weren't too shy when you jacking off while watching me dress the other night

What?

All right, if it makes you feel more comfortable, I'll take off my nightie top too

Anyways, it is my favorite nightie. I don't want to spoil it either

But I ... hmm ...
I ...

Ok, first up where do you keep the chocolate syrup

That is in the shelf up there

Can you get it for me please?

Yeah sure

Yes a little higher

Can you help me with this?

Yes! Why not

Have you got it?

Just a little higher

Shall I put you down now?

I don't mind if you hold me a little longer

That was fun

It's not even started

Now pour some syrup into the cake mixture...

...and we need to mix it well with our fingers, like this

The chocolate tastes even better when I lick it off your boobs

Why don't you try licking it off my pussy then, it will taste even better

I'm never going to complain about taking Hotel Management in college again!

How does it taste Paarth?

I've never tasted anything more delicious than your pussy juices mixed with the chocolate!

Would you like to taste some?

Lick it clean Shyla, I bet you love the way your pussy tastes

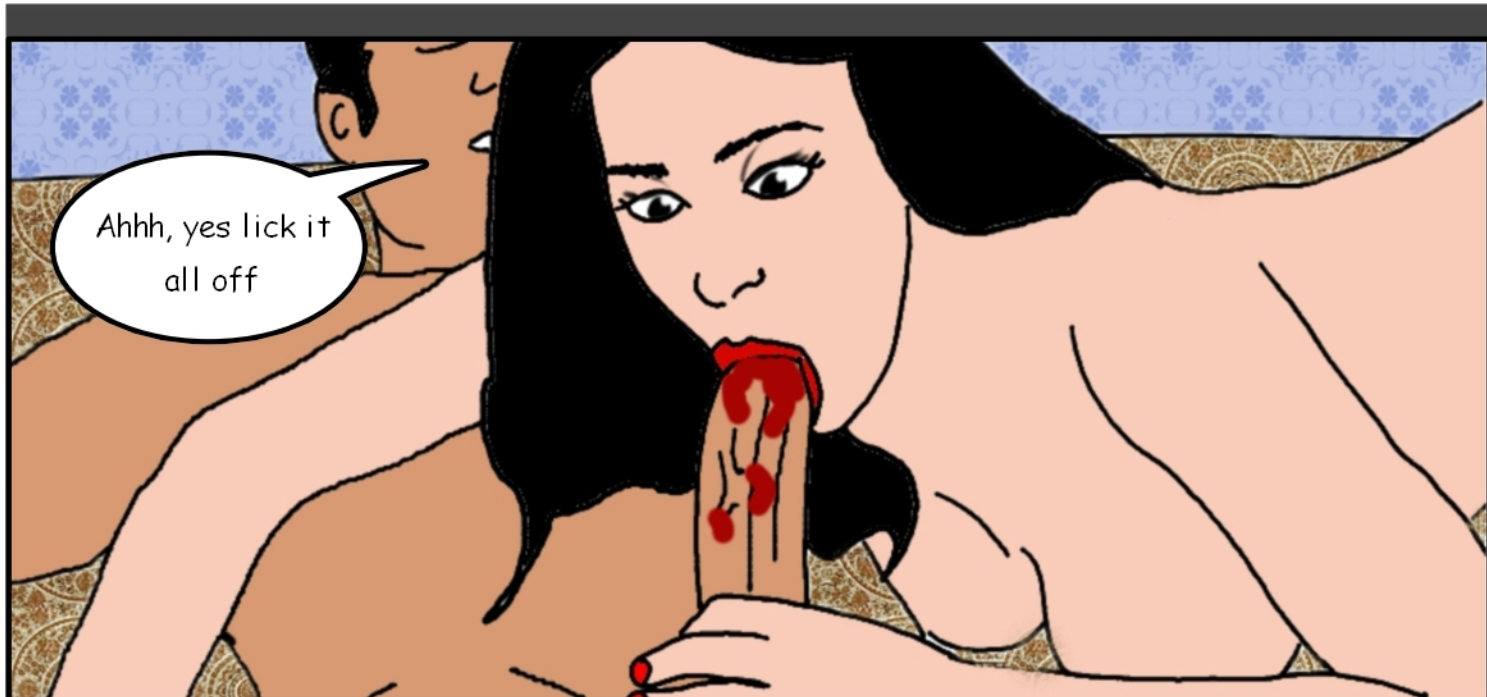

This tastes nice, but I have an idea for something that will taste even better

My dick's been stiff from the moment I entered your house Shyla

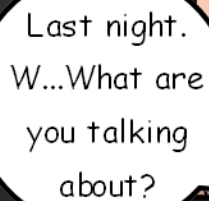

Are you having fun just like you had last night?

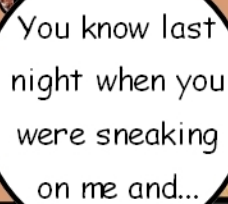

Actually when I saw you in the lift and the key chain fell down

Yeah!

Last night. W...What are you talking about?

You know last night when you were sneaking on me and...

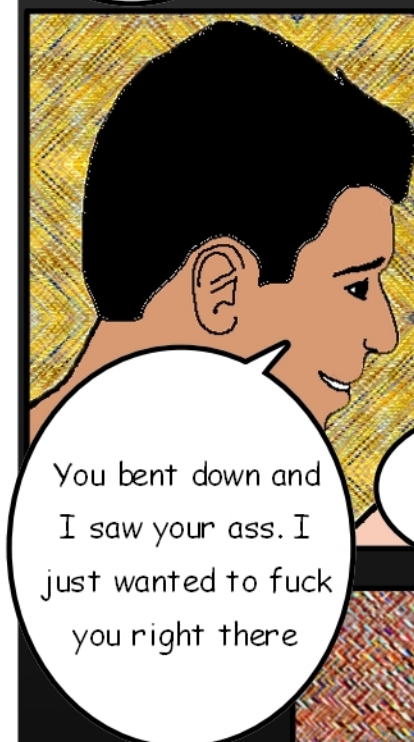

And I what?

And what about last night in your room!

Why always do something. Sometimes it is just nice to watch and enjoy!

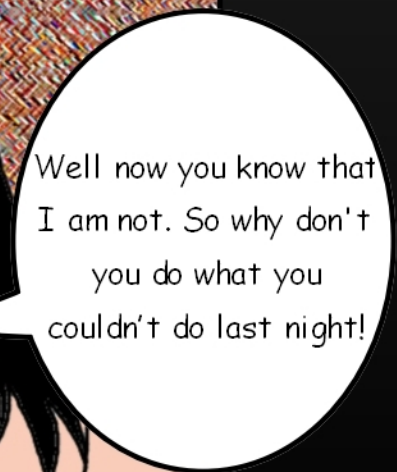

You bent down and I saw your ass. I just wanted to fuck you right there

So why didn't you?

I thought you were a very shy person!

Well now you know that I am not. So why don't you do what you couldn't do last night!

This is unbelievable. Two nights ago I was just watching you and tonight...

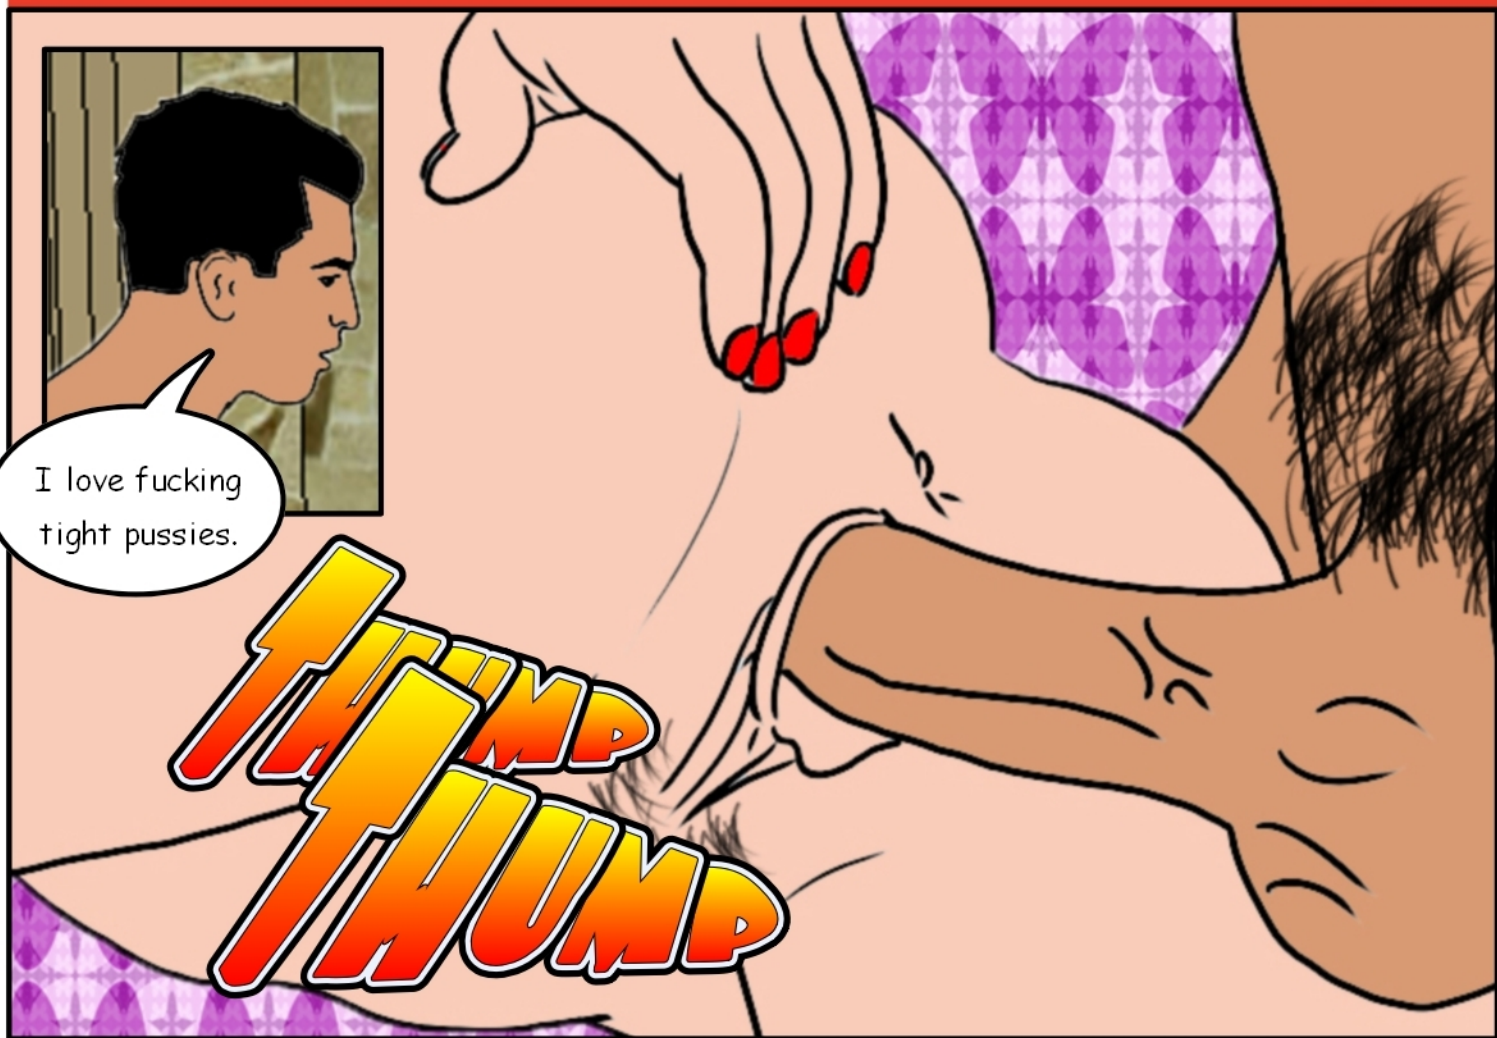

This is going to hurt a little but you will love it.

Ahh. Your dick is really hard.

His penis inside my pussy gives me the feeling I have been longing.

Your pussy is giving me the experience I have never had before.

No one else will ever give you that either

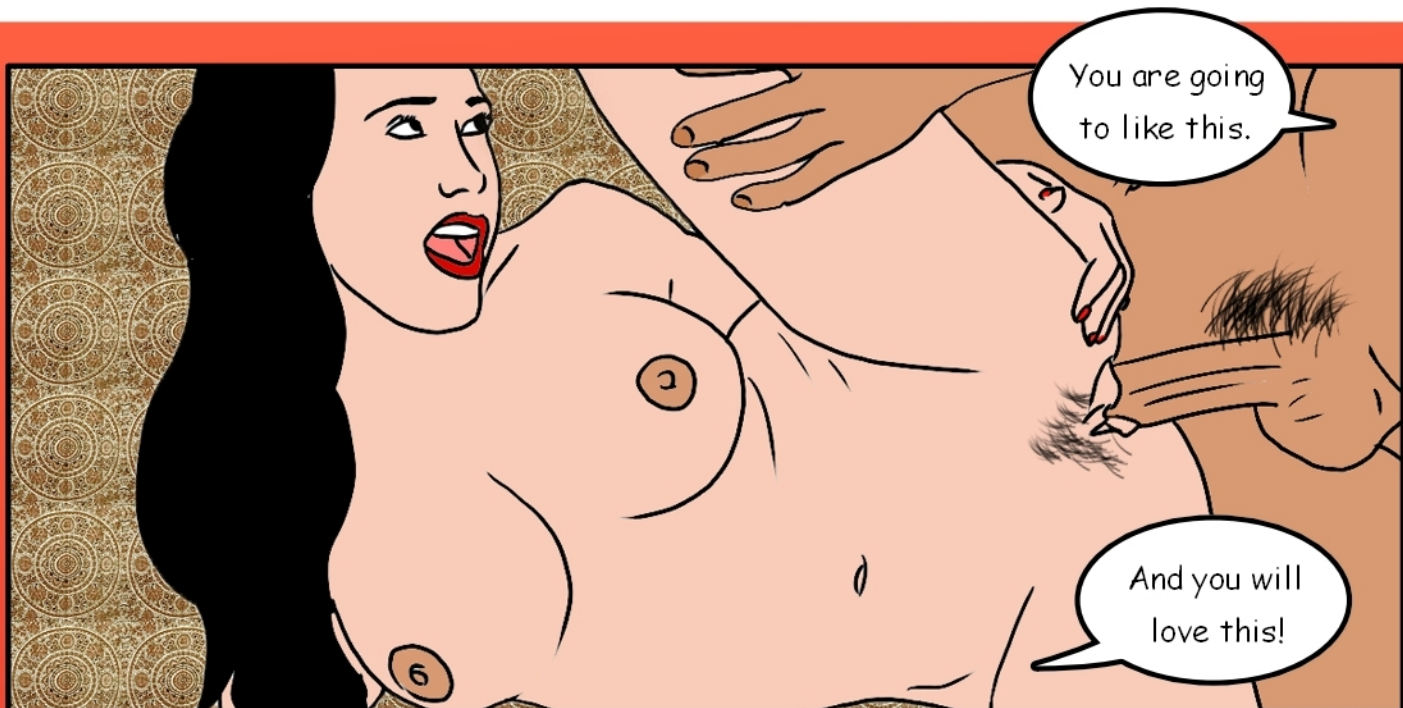

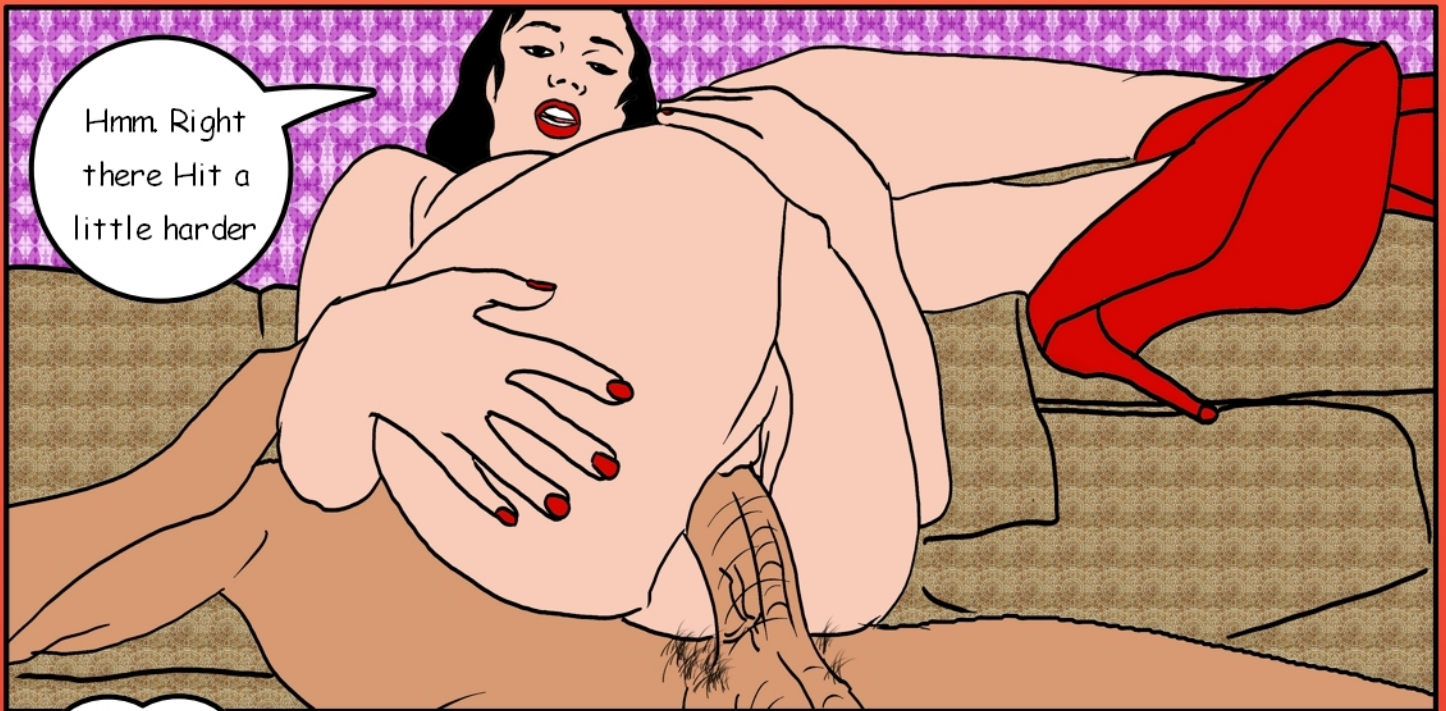

I am one of a kind you know!

If you think this is fun. Just wait for the other pose.

I was coming to that.

Why don't you place
your penis in between
my boobs! I love to be
French fucked

Ahhh! Its feels like
I'm rubbing my dick on a soft
satin cushion

The feeling of
his hard dick
between my
tits is
fantastic

Baby get ready,I'm
about to cum.

Cum on me Paarth.
I want it all

Here it cums

Hmm. This is
definitely better than
what's being cooked in
the kitchen

Drop it all on
me
